To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

With reference to G.O.No. 1454, Law (Education) dated 13th October 1923 approving the introduction of weaving as a vocational subject in the Ganapathy Secondary School, Mangalore, I have the honour to state that the District Educational Officer, South Kanara has submitted plans and estimates for the construction of a building for the weaving class as the present building in which it is held is ill-suited and insufficient for it.

2. The Adviser to Government on Manual and Vocational Training, Teachers' College, Saidapet to whom the plans and estimates were forwarded for remarks while approving of them states that the strength of the class has increased from 22 to 73 and that the old upstair

building in which the heavy frame looms are now housed is neither desirable nor suitable for extension of the weaving class which is working satisfactorily. He therefore considers that a new building should be constructed according to the plans and estimates submitted herewith for reference and return. The Special Consulting Architect who has scrutinised them has accepted the estimate of Rs 3410 as given in the estimates.

3. I therefore recommend that a half grant of Rs 1705 be sanctioned to the management during the current year towards the construction of the building in question.

4. As this question has been under correspondence since August 1925 and as the work of the class might suffer for want of suitable accommodation I am of opinion that it would be better if Government accord their sanction to the proposal at an early date so that the work may be pushed through during the current year itself.

5. If Government approve of the above proposals, I shall provide the necessary funds by reappropriation.

I have the honour to be,

Sir

Your most obedient servant,

-for Director of Public Instruction. 28-9

Submitted that the proposal to give a half grant amounting to Rs. 1705 for the construction of a building for the manual training class attached to the Ganapathi Secondary school, Mangalore may be accepted

2 Funds: There is no provision for this item in the current year's budget (1926-27). The D.P.I has however, stated that he will provide the necessary funds by reappropriation.

Submitted that this is a scheme of new expenditure and should be treated as a Part II scheme for 1927-28. The fact that the expenditure can be met by reappropriation is not a sufficient justification for undertaking a scheme of new expenditure in the current year. The work does not

The D.P.I has requested sanction to the proposal in the current year as he considers that the work of the class might suffer for want of suitable accommodation. Finance, however, suggest that it may be included in the list of part II schemes for next year. Orders whether it may be so included.
